DAMAGES AND INJUNCTIVE RELIEF**

JURY DEMANDED

20 through its counsel, file this complaint against Defendants Ivan Shelkov, individually and d/b/a
21 HQPorner.com, Thomas Kahn, individually and d/b/a HQPorner.com, and John Does 1-20
22 Defendants (collectively hereinafter referred to as “HQPorner,” “Defendant” or “Defendants”).

23 **JURISDICTION AND VENUE**

24 1. Plaintiff Paper Street Media LLC is a Florida Limited Liability Company with it
25 principal place of business in Miami, Florida.

26 2. Defendant Ivan Shelkov is an owner and/or operator of HQPorner.com.

FIRST AMENDED COMPLAINT
Case No. 3:18-cv-05167 RBL - 1

FREEMAN LAW FIRM, INC.
1107 ½ TACOMA AVENUE SOUTH
TACOMA, WA 98042
(253) 383-4500 - (253) 383-4501 (FAX)

1 3. Defendant Thomas Kahn is an owner and/or operator of HQPorne.com.

2 4. Defendant John Does are a currently unknown individual(s) and/or entity which
3 owns and operates HQPorne.com.

4 5. Defendants John Does act in concert with Defendants Ivan Shelkov and Thomas
5 Kahn in the operation of HQPorne.com.

6 6. Defendants knowingly and purposefully market to the entire United States, including
7 residents of this District.

8 7. The largest audience of HQPorne.com is comprised of United States viewers.
9 Defendants earn substantial revenue from advertisements on HQPorne.com. Advertisements in the
10 United States are the by far most profitable in the world, thus making the United States the most
11 desirable and commercially meaningful market to display a web site whose revenues stem from
12 advertisements.

13 8. According to Similarweb.com, an industry trusted website analytics company,
14 between August 2017 and August 2018, HQPorne.com averaged over 30.48 million users *per*
15 *month*, with an average view time of over 7 minutes. Of these users, the United States made up the
16 largest market at 12.67%¹, with the next largest market as Germany at 11.10%, and India at 6.02%.
17 A large portion, 57.78% of the traffic, is from search engines. In August 2018, HQPorne.com saw
18 47.17M users; 5.97 million were United States users.

19 9. Defendants purchase Internet traffic that is specifically from the United States in
20 order to ensure a United States audience for HQPorne.com.

21
22
23
24
25
26 ¹ At least 3.8 Million United States based users are watching over 450,500 hours of video on Hqporne.com; 18,700
days of content a month on Hqporne.com.

1 10. HTML and images on HQPorne.com are delivered through and/or from servers
2 located in the Netherlands. Videos are not delivered to viewers from these servers.

3 11. A review of HQPorne.com reveals servers associated with HQPorne.com located in
4 California and Kansas, in a currently unknown role regarding the operations of the web site. It
5 appears that HQPorne.com changed from association with a server on the east coast of the United
6 States to the one in California. Defendants are strategically associating with servers in the United
7 States for purposes of display to United States viewers.

8 12. Defendants utilize a complex system to deliver videos to its viewers. This complex
9 system purposefully ensures effective, efficient, and fast delivery of video content displayed on
10 HQPorne.com to United States viewers while attempting to hide the actions of Defendants in the
11 illegal display of PSM content to United States viewers.

12 13. Videos displayed on HQPorne.com, including PSM videos are delivered through
13 URLs Mydaddy.cc, BigCDN.cc, and/or HQWO.cc. Upon information and belief, Defendants own
14 or operate these domains. While these domains are located abroad, a system is in place in which
15 United States based companies and servers are utilized within Defendants' system to intentionally
16 and efficiently broadcast the videos throughout the United States, including servers located at
17 Highwinds Network Group, Inc. (Phoenix, Arizona), Tiggee LLC (Reston, Virginia), Choopa
18 Matawan, New Jersey), and Advanced Hosting (Virginia).

19 14. HQPorne.com provides geocentric pop-up ads displayed whenever a user chooses a
20 video. These pop-up ads provide links to adult dating services in close proximity to the user,
21 including in the United States and in this District. While Defendants contract with ExoClick as a
22 broker for the pop-up ads, the Defendants purposefully and knowingly contract for geocentric ads in
23 the United States.

1 15. Defendants attempt to hide their identity as the registrant of HQPorne.com by the
2 use of a privacy service, Internet Domain Service BS Corp., and administrator Whois Privacy Corp.,
3 both located in the Bahamas.

4 16. Defendants also attempt to hide their identity as owners/operators of Mydaddy.cc
5 and BigCDN.cc through registrar Enom, Inc., located in Kirkland, Washington, and privacy service
6 WhoIsGuard, Inc., located in Panama.

7 17. Upon information and belief, the Defendants all transact business in this Judicial
8 District by way of their interactive website intentionally directed to users based in the United States
9 and in Arizona who have been offered the infringing and unlawful content at issue herein and who
10 have, themselves, engaged in acts of infringement in this District and State. The Court has personal
11 jurisdiction over the Defendants, who have engaged in business activities in and directed to this
12 district, and have committed tortious acts within this district or directed at this district. The
13 Defendants are amenable to service of process pursuant to the state Long-Arm Statute, and
14 Fed.R.Civ.P. 4(e).

15 18. Any alien defendant is subject to jurisdiction in any district. See 28 U.S.C. 1391
16 (“An alien may be sued in any district.”) See also Fed. R. Civ. P. 4(k)(2).

17 19. This Court has subject matter jurisdiction over Plaintiff’s federal claims pursuant to
18 17 U.S.C. § 101 et seq., 28 U.S.C. §1331 and 28 U.S.C. §1338.

19 20. Venue is appropriate in this District pursuant to 28 U.S.C. § 1391(b) and/or (c).

20 21. This Court has personal jurisdiction pursuant to 28 U.S.C. §§ 1391(b), (c) and/or (d)
21 and 28 U.S.C. § 1400(a).

PARTIES

22. The named Plaintiff is the rightful copyright, trademark and intellectual property owners of the respective United States copyrights, trademarks and intellectual property that are the basis for this action.

23. Plaintiff Paper Street Media, LLC (“PSM”) is a Florida limited liability company with its principal place of business in Miami, Florida.

24. PSM produces adult audiovisual material, which it distributes through DVD sales, pay-per-view, and the World Wide Web through its 25-paid membership based web sites operating under its known brands, including “TeamSkeet,” among others.

25. PSM directly employs 28 full-time people, with the majority of those being technical, programming, and white-collar positions.

26. PSM engages in extremely limited licensing of its content to other entities or websites for viewing, in addition to the small sample of promotional materials provided to their affiliates for the sole purpose of those affiliates’ promoting PSM properties. Any licensing is done with the intent for brand exposure and is limited to a small subset of hand-selected content. Predominantly, the PSM business model is simply that a user must be a paid member of PSM to view PSM’s non-promotional videos.

27. PSM holds over 350 U.S. registered Copyrights for its audiovisual work and 5 Trademarks for its brands, including for all works listed in this Complaint.

28. Plaintiff is the respective producer, distributor, and exclusive licensor of its own motion pictures in the United States as well as throughout the world.

29. Plaintiff has registered with the United States Copyright Office the copyrighted works identified in this Complaint. Plaintiff’s watermark their videos with Plaintiff’s readily

1 identifiable site names and/or logos and place recorded warnings at the beginning of video
2 productions.

3 30. Plaintiff's "Team Skeet" trademark and service mark has been continuously used in
4 commerce since August 2012. U.S. Trademark Registration No. 4323869 was registered on April
5 23, 2013.

6
7 31. Plaintiff has expended considerable effort and expense in promoting its trademark
8 and the goods sold under the trademark Team Skeet. As a result, the purchasing public has come to
9 know, rely upon and recognize the mark Team Skeet as an international brand of high quality adult
10 entertainment.

11 32. The production of pornography is one of the most scrutinized and policed legal
12 enterprises in the country, where state, local and federal regulations all require manufacturers and
13 distributors of such works to comply with a myriad of laws and record keeping rules. Producers
14 navigate the various legal requirements at great expense in order to remain compliant, carefully
15 building government-required databases that must be maintained for inspection even beyond the life
16 of the company. Plaintiff has meticulously complied with the various laws, rules, and regulations
17 imposed upon production of legitimate adult entertainment. Legitimate producers do not "make"
18 anyone do anything – only consenting adults participate. Both men and women participate in front
19 of and behind the camera at jobs that require real skill and dedication. The Plaintiff only sells its
20 final product to consenting adults through age-restricted channels.
21

22
23 33. Defendants are the owners and operators of the website located at
24 www.hqporner.com.

25 34. Defendants conduct business as HQPorne.com, operate the website, and derive
26 direct financial benefit through advertising sales on the websites.

35. Defendants compete against Plaintiff in the distribution and sale of adults-only audio-visual works through Internet distribution and divert potential customers from Plaintiff.

36. HQPorner.com is not registered as an Internet Service Provider nor is there a designated Agent to receive take-down notices sent by copyright holders. Defendants fail to receive or honor take-down notices and fail to implement a reasonable repeat infringer policy. Thus, copyright infringements on HQPorner.com do not qualify for DMCA safe harbor protections.

37. Does 2-20 are individual or entities that own or operate HQPörner.com, and/or act in concert with HQPörner.com. The true names and capacities of which are presently unknown to Plaintiff. It is for that reason Plaintiff sues these Defendants by fictitious names. Plaintiff avers that each of the Doe defendants, along with the lead defendant, jointly or severally, is responsible for the damages alleged herein.

STATEMENT OF FACTS

38. Congress' implementation of safe harbor provisions in the Digital Millennium Copyright Act ("DMCA") provides true internet service providers with protection against liability for copyright infringement resulting from the actions and/or postings of their users. As a primary example, the safe harbor protections provide YouTube.com with protection from liability should one of its users post a copyright protected video without authority or license.

39. The DMCA safe harbor provisions have been systematically abused by internet copyright infringers in an attempt to garner protection for pirate websites displaying copyrighted adult entertainment content without license or authority for free viewing to the public. Under a veneer of DMCA compliance, the owners and operators attempt to hide behind the safe harbor provisions while monetizing the website through premium membership programs and substantial advertising contracts.

1 40. HQPorner.com, is such a pirate website, displaying copyrighted adult entertainment
2 content without authorization or license.

3 41. Defendants host adult entertainment videos and/or host embedded code for adult
4 entertainment videos to permit a user to view the videos on HQPorner.com for free.

5 42. Defendants directly upload the videos displayed on HQPorner.com, including PSM's
6 videos, for purposes of display to viewers, including United States and Arizona viewers.

7 43. The Terms of Service on HQPorner.com reference "User Submissions," implying
8 that users of HQPorner.com may upload videos and that videos on HQPorner.com are uploaded by
9 third parties. Such implications are a façade. HQPorner.com does not contain any functionality
10 which would permit a user or viewer to upload content onto the site. All videos on HQPorner.com
11 are loaded onto the site for public display by Defendants.
12

13 44. Defendants sell advertising space on HQPorner.com in several forms, including
14 geocentric front load pop-up advertising and advertising banners on space in close proximity to free
15 videos.
16

17 45. Videos on HQPorner.com may be shared on other sites, in addition to the user being
18 provided with direct links for posting on or to any website or social media site including, but not
19 limited to, Facebook, Twitter, Google or via to Email to anyone regardless of age or location. Such
20 functionality makes it impossible to know how many times and where an unlicensed copyrighted
21 video has been posted and displayed illegally as a direct result of Defendants unlawful display.
22

23 46. HQPorner.com fails to fulfill the requisite conditions precedent to qualify for the safe
24 harbor provisions of the DMCA. Specifically, while the Terms of Service on HQPorner.com imply
25 the site is a third party user site, the content on the site is actually placed and displayed directly by
26 the Defendants. Further, HQPorner.com is not a registered Internet Service Provider, does not have

1 a registered DMCA Agent to accept take-down notices, and does not implement a reasonable repeat
2 infringer policy.

3 47. Mydaddy.cc, BigCDN.cc, and HQWO.cc are the URLs that deliver content onto
4 HQPorne.com and allow content displayed on HQPorne.com to render to a viewer without
5 interruption or delay.
6

7 48. In or about November 2017, and for an unknown time before, Defendants' website
8 HQPorne.com displayed 135 of Plaintiff's copyright registered works over 259 separate and
9 distinct URLs - each a part of HQPorne.com. Defendants have no authority or license to display
10 or distribute any portion of Plaintiffs' copyrighted works. Attached hereto as Exhibit A is a list of
11 all Plaintiff videos displayed on Defendants' website, and corresponding copyright registration
12 numbers.
13

14 49. On or about December 13, 2017, Plaintiff, or an authorized representative of
15 Plaintiff, followed instructions on HQPorne.com to have copyright infringing material removed
16 from the web site, via the web site contact form provided notification of the specific URLs for
17 Plaintiff's copyright registered works displayed without authority on HQPorne.com. This
18 notification requested that Plaintiff copyrighted works be removed from HQPorne.com.
19

20 50. Between December 13, 2017 through September 5, 2018, Plaintiff sent fourteen sets
21 of DMCA Notices to Hqporne.com and its services providers. DMCA complaint take down notices
22 were sent on December 13, 2017; December 26, 2017; January 5, 2018; February 14, 2018; March
23 9, 2018; March 21, 2018; March 23, 2018; March 26, 2018; March 27, 2018; April 5, 2018; May 7,
24 2018; May 23, 2018; May 24, 2018; and September 5, 2018. These notices all related to the 135 of
25 Plaintiff's copyright registered works over 259 separate and distinct URLs on HQPorne.com
26

1 51. Defendants have failed to respond to any of Plaintiffs fourteen (14) sets of
2 notifications and take down requests for the 135 copyrighted works unlawfully displayed on
3 HQPorne.com.

4 52. Defendant uploaded all of Plaintiffs infringed video content onto its website.
5 Defendants failed to honor DMCA Complaint takedown notices sent over an 8-month period.
6

7 53. HQPorne uses two additional URL's, bigcdn.cc and mydaddy.cc to display and
8 deliver infringing content to end users. The two URLS are part of a Content Delivery Network
9 (CDN).

10 54. On March 1, 2018, DMCA Notices were sent to the Internet Service Providers (ISPs)
11 that host the CDNs that were serving the infringing content for the website. The next day on March
12 2, 2018, a review of HQporner revealed that the operator of HQporner replaced the links contained
13 in the March 1, 2018 notices to the ISPs with new links to deliver the exact same infringing content
14 onto HQporner on the same URL's previously noticed in December, January, and February.
15

16 55. HQPorne, simply replaced the video links with new ones to continue services to its
17 end users after take down notices were sent to the ISPs. At no time have HQporner's operators
18 disabled or removed any of videos on Hqporner.com that were noticed in the December, January,
19 February, March, April, May, or September notices. It has become clear that the website has no
20 desire to remove any content or stop delivering any of the infringing work no matter the method or
21 number of notifications.
22

23 56. Defendants have actual knowledge and clear notice of the infringement of Plaintiff's
24 titles or else is willfully blind to the rampant infringement. The infringement is clear and obvious
25 even to the most naïve observer. Plaintiff's films are indexed, displayed and distributed on
26 Defendants' website through Defendant and the Doe Defendants acting in concert. Plaintiff's and

1 other major producers' trademarks are used to index infringing material along with obfuscation of
2 watermarks and other identifiers which is evidence of knowledge and intent.

3 57. By virtue of the conduct alleged herein, Defendants knowingly promote, participate
4 in, facilitate, and assist, materially contribute to copyright infringement, and thereby have directly
5 infringed the copyrights in Plaintiffs' copyrighted work.
6

7 58. Defendants, either jointly, severally, actually, constructively, and with or without
8 direct concert with one another, deprived Plaintiffs of the lawful monetary rewards that accompany
9 its rights in the copyrighted works. Defendants disregard for copyright trademark laws threaten
10 Plaintiff's business.
11

12 **FIRST CAUSE OF ACTION**
13 **Copyright Infringement – 17 U.S.C. §§ 101 *et. seq.***
14 **Against All Defendants**

15 59. Plaintiff repeats, re-alleges, and incorporates by reference each and every preceding
16 allegation set forth herein.

17 60. Plaintiff holds the copyright on each of the infringed works alleged herein.

18 61. Plaintiff registered each copyright with the United States Copyright Office.

19 62. At all pertinent times, Plaintiff is the producer and registered owner of the
20 audiovisual works illegally and improperly reproduced and distributed by Defendants.

21 63. Defendants copied, reproduced, reformatted, and distributed Plaintiffs copyrighted
22 works by and through servers and/or hardware owned, operated and/or controlled by Defendants.
23

24 64. Defendants did not have authority or license to copy and/or display Plaintiffs original
25 works.
26

1 65. Defendants infringed Plaintiff's copyrighted works by reproducing and distributing
2 works through Defendants' website without property approval, authorization, or license of Plaintiff.

3 66. Defendants knew or reasonably should have known they did not have permission to
4 exploit Plaintiffs' works on HQPorne.com and further knew or should have known their acts
5 constituted copyright infringement.
6

7 67. Defendants made no attempt to discover the copyright owners of the pirated works
8 before exploiting them. Defendants failed and refused to take any reasonable measure to determine
9 the owner or license holder of the copyrighted works.

10 68. Defendants engaged in intentional, knowing, negligent, or willfully blind conduct
11 sufficient to demonstrate they engaged actively in the improper collection and distribution of
12 Plaintiffs' copyrighted works.
13

14 69. The quantity and quality of copyright files available to Internet users increased the
15 attractiveness of Defendants' service to its customers, increased its membership base, and increased
16 its ad sales revenue.

17 70. Based on information and belief, Defendants actively uploaded pirated
18 copyrighted files and/or embedded code, enabling users of HQPorne.com to view copyrighted
19 videos and images for free.
20

21 71. Defendants controlled the files owned by Plaintiff and determined which files
22 remained for display and distribution.

23 72. Defendants never adopted procedures to ensure that distribution of Plaintiff's
24 copyrighted materials would not occur.
25
26

1 A. That Defendants, their agents, servants, officers, directors, employees, attorneys,
2 privies, representatives, successors and assigns and parent and subsidiary corporations or other
3 related entities, and any or all persons in act of concert or participation with any of them, be
4 preliminarily and permanently enjoined from:

5 (1) Any and all reproduction, adaptation, public display and/or distribution of
6 copies of Plaintiff's copyrighted works by Defendants on any website, including but
7 not limited to HQPorne.com;

8 (2) Permitting any user to upload for reproduction, adaptation, public display
9 and/or distribution of copies of the Plaintiff's copyrighted works by Defendants on
10 any website, including but not limited to HQPorne.com; and

11 (3) Marketing or selling any product containing or utilizing Plaintiff's
12 intellectual property or business values.
13

14 B. That Defendants be ordered to transfer the domain HQPorne.com, and all similar
15 domains held by Defendants found in discovery, such as misspellings of the enumerated domains,
16 domains held by Defendants linked to HQPorne.com, and the content therein to Plaintiff.

17 C. That Defendants be ordered to file with the Court and serve upon Plaintiff, within
18 thirty (30) after the entry of an injunction, a report in writing and under oath, setting forth in detail
19 the manner and form in which Defendants have complied with any ordered injunction;
20

21 D. That Plaintiff be awarded statutory damages in an amount to be determined at trial
22 for all infringing activities, or actual damages including Plaintiff's damages and lost profits,
23 Defendants' profit;
24
25
26

1 E. That Defendants be ordered to account to Plaintiff for all profits, gains and
2 advantages that they have realized as a consequence of their unauthorized use of Plaintiff's
3 copyrighted works;

4 F. That Plaintiff be awarded enhanced damages and attorney's fees;

5 G. That Plaintiff be awarded pre-judgment and post-judgment interest;

6 H. That Plaintiff be awarded costs and expenses incurred in prosecuting this action,
7 including expert witness fees; and
8

9 I. That such other and further preliminary and permanent relief be awarded to Plaintiff
10 as the Court deems appropriate.

11 **DEMAND FOR JURY TRIAL**

12 Plaintiff hereby respectfully demands a jury trial as provided by Rule 38(a) of the Federal
13 Rules of Civil Procedure.
